

The background is a watercolor-style illustration. It features a large, faint sun-like shape with a curved top and a pointed bottom, outlined in grey. Inside this shape, there is a blue cross with a downward-pointing arrow at its base. The background is filled with various watercolor washes in shades of pink, purple, yellow, and green, along with some white scribbles and thin black lines.

LIFE

under the sun

The image is a complex collage. At the top left, there is a vibrant, multi-colored sun with rays in shades of purple, pink, green, and blue. In the center, a large, semi-transparent blue cross is superimposed over the scene. The background is a photograph of a devastated landscape, likely after a natural disaster, showing a large pile of debris, broken wood, and a dead, skeletal tree. The sky is a pale, hazy blue. The overall composition suggests a theme of hope and resilience in the face of adversity.

“Fearing God is ‘all’ there is to man. But, it is an ‘all’ that stands in utter contrast to the ‘vanity’ with which the book has been confronting us. Here at last we find reality. We find ourselves.” - Derek Kidner
