WELCOME! SUNDAY, SEPTEMBER 16, 2018

Welcome to the Sunday gathering of Gospel Grace Church! We exist as a church to glorify God by making gospel-centered, grace-saturated disciples of Jesus Christ, and we hope that as you hear the word proclaimed in song and message today that you will be challenged to follow Jesus Christ in the power of His gospel of grace.

TODAY'S THEME: 2 KINGS 5:1-19

GRACE FOR THE HUMBLE

1 Peter 5:5 says that "God opposes the proud, but gives grace to the humble." In the account of Naaman and Elisha in 2 Kings 5, we see this truth come to bear. Naaman, the pagan leper came to realize that he could not buy God's salvation, demand it by his own power, or merit it by reputation and achievements. Nothing he had (like gold and silver) and nothing he had done (like great military victories) could impress God or put him in his debt. God's salvation is offered by grace alone. His gift costs us nothing... except our pride. So, if we want God's healing, then we need humility. If we want God's salvation, then we must submit to his word. May the Lord help us to consider our need for God's grace today.

OPEN HOUSE SUNDAY: GRACE - 2 KINGS 5:1-19

- 1 **In the account of Naaman in 2 Kings 5, the entire story turned on the recommendation of a servant girl.** How has God used what seems to be an insignificant person or event in your life to bring about an answer to your need?

 *Why do you think God chose to use this little girl rather than well known figure with power and influence?*

- 2 **Why do you think the King of Israel responded with so much drama?** Why do you think he was gripped by fear instead of bold in faith?

 *Are there times in your life where you see your heart leaning the wrong way?*

- 3 **Naaman's pride almost kept him from experiencing healing and conversion.** How big an issue do you think pride is in keeping people from experiencing God's blessing in their lives?

 *How does pride manifest itself in your life?*

COMMUNITY GROUP DISCUSSION QUESTIONS:

- 4 **How is the grace "plus" message being purported today?**

 *In what ways does it conflict with the biblical gospel?*

 *What verses would you point to in support of a sola gratia (grace alone) position?*

- 5 **What are some of mistakes "grace" people make either in terms of abusing it, misappropriating it, or misinterpreting it?**

 *What biblical passages speak of grace abuse?*

SERMON NOTES:

 *THE DELUSIONAL POWER OF "_____"*

 *THE TRANSFORMING POWER OF _____*
