

POWER OF HIS RESURRECTION DISCUSSION QUESTIONS

PHILIPPIANS 3:1-11

1 Do you regularly “rejoice in the Lord” (Phil 3:1)? What would those who observe you and know you best say?

 *What areas of your life bring out discontentment in you?*

 *How can you learn to rejoice in God’s character and His goodness despite adverse circumstances (Phil. 1:28-29)?*

2 How have you struggled with “confidence in the flesh” (Phil 3:4–6)?

 *In what ways could a religious background be a roadblock to your faith?*

 *Which of your spiritual works are you the most proud of?*

 *How can you depend solely on Christ for both salvation and sanctification?*

3 Is anything more important in your life than a relationship with Jesus Christ (Phil. 3:8)? Does your desire to know Christ exceed all other aspirations?

 *If not, how can you reprioritize your relationship with Christ? Who can help you rearrange your life?*

4 How does righteousness obtained through faith differ from righteousness obtained through works (Phil 3:9)?

 *How seriously does works righteousness infect your congregation or society’s view of Christianity in general?*
