

GRACE MAKES DRY BONES COME ALIVE DISCUSSION QUESTIONS

EZEKIEL 36-37

1 Take turns reading the following passages aloud and discuss how they display God's grace.

 Psalm 51:2, 7; 25:1-11; Ephesians 2:1-9; John 3:1-15

2 Why can true and lasting change never come from behavior modification alone?

 *Why do we so often try to deal with behavior and environment rather than deal with the heart?*

 *How do you aim toward the heart of your children or those you are discipling and not just their actions?*

3 How is God active in the salvation of his people instead of being passive?

 *What evidences of his actions can be seen in your salvation?*

 *Why do you think God's gracious saving activity is an offense to some people?*
